Today we will hold a congregational vote following both worship services for our members. This vote will determine whether or not we proceed with negotiating a contract for the purchase of land at C-470 and Belleview. A "Yes" vote means that you authorize the Relocation Committee to begin negotiating a contract to purchase this property. A "No" vote means that you do not authorize the committee to proceed with this property. If this first vote is approved, then a second vote will be scheduled to consider the specific details of the purchase and to decide whether or not to proceed from there. The participation of all of our members is strongly encouraged. Thank you!
